

## BUSINESS INTENT ACADEMIC MAP

**2022-2023**

During your first two years, you must stay on-course with the Business Intent Academic Map. To stay on course, you must satisfy the milestones for each semester. If you get off-course, you will not be able to register for the next semester until you meet with an academic advisor. You will have only one semester to get back on course. If you are off-course for two consecutive semesters, you will not be able to continue as a Business Intent student.
